Dear Tom:

We have just been instructed by the Office of Education to go no further with the Jelle Eisenhower spot. Evidently the feeling is that the spot would be vulnerable to political attack so close to Convention Election time.

Accordingly, please send me the master video tape together with your bill for production work accepted. I wish to date, the dubs and still photography. I would appreciate early receipt of your billing in order to include it in our year-end contract statement to BEH which ends June 15th.

Cordially,

Howard Hunt

October 19, 1965

J. E. Hoover, Director
Federal Bureau of Investigation
Att. Payroll Section
Washington, D.C.

Dear Mr. Hoover:

On September 15, 1965, I resigned as a special agent, and prior to this date of termination I completed appropriate forms sent to me. One of the forms which I completed and returned was Civil Service form which stated therein that I desired to have the cumulative amount which I have contributed to the retirement fund returned to me. This form was completed by me at my headquarters in Tampa, Florida and was forwarded to Washington, D.C.

As of this date, I have not received any of the funds which I contributed to the retirement fund, nor have I received any correspondence in regard to this fund.

In view of the fact that I have not received any correspondence regarding the retirement fund or a check as mentioned above, I assume the forms that I completed have been lost. I would appreciate it, if you could send me other forms at your earliest possible convenience.

Thank you for your co-operation in this matter and again I would like to offer my services to you and any of your agents at any time.

Very truly yours,

Alfred C. Baldwin
